EDUCATION

Parsons School of Design

Masters of Architecture, May 2016

University of Michigan - Taubman College of Architecture and Urban Planning

Bachelor of Science in Architecture, May 2013

EMPLOYMENT

FGS Design - New York, NY

Junior Architect: March 2018 - February 2021

Managed and developed numerous residential focused projects including furniture design, New York City apartment renovations, and single family homes, both ground up construction and renovation. Job captain for a ground up home in the Bahamas where I worked on all phases of design, helped coordinate with the lead architect who was only part time at our office, and dealt with the majority of construction detail drawings and shop drawings. Construction began in earnest during the beginning of the global pandemic, presenting unique challenges, and was nearly completed when I left the office, with the family moving in Spring 2021.

Freelance

May 2016 - March 2018

Worked on preliminary designs for an art installation proposal. Developed 3D models for a client to use for 3D printing. Reviewed plans for a housing renovation and provided notes. Created several 3D renders for various projects.

Christian Ricci Architecture - New York, NY

Architectural Designer: June 2014 - August 2014, June 2015 - August 2015

Worked on various residential projects, from single apartment renovations to large houses, both ground up and renovations. The work done ranged from early schematic design to detail work. This includes construction sets, millwork drawings, and specifying items, as well as SketchUp massing models and field work.

David M. Schwarz Architects - Washington DC

Intern: July 2010

Prepared drawings for future monograph use and created Google SketchUp models of past work to be included in Google Earth and 3D Warehouse.
